This stylish three bedroom home in Raymond Terrace offers the perfect blend of modern living, comfort, and convenience. Situated on an elevated position with open views, the property boasts a front yard with a modular wood deck and porch, creating a welcoming entrance. A double remote garage with additional height and a painted concrete driveway provides ample space for vehicles, while potential landscaped car access to the yard enhances the appeal. If you're in need of a 4th Bedroom a simple conversion of one of the living areas would provide this.

Inside, the home features timber look laminate flooring throughout, creating a warm and cohesive feel. The spacious lounge room is adorned with plantation shutters, downlights, and double pocket doors, while the living and dining areas are open and airy with a study nook and a stacker glass sliding door that leads to the alfresco. The vast sleek kitchen is a standout, with stone benches, handleless cabinets, a 900mm gas stove, stainless steel appliances, and a walk behind pantry with ample storage space.

The master suite is a private retreat having a feature wall, sliding glass door to the alfresco, plantation shutters, and a walk-in robe with built-in storage. Included in this space is a separate

nursery or sitting area, complete with power and TV points adding to the versatility of this area. The ensuite is luxurious, with double sinks, an oversized shower, and floating stone bench vanities.

The media room, main bathroom (with three-way design) and laundry with ample storage add practicality. Other features to the home include ducted air conditioning, 9.9kW solar power system with battery, and NBN connectivity. This meticulously designed home, built by Hotondo Homes just four years ago, is perfect for those seeking modern amenities and an elevated lifestyle.
